DOBSON ◆ RANCH

The best place to live!

November 23, 2020

Dear Residents,

To serve our residents, the **Dobson Ranch Architectural Committee** would like to schedule a Workshop to review the Residential Architectural Guidelines that were put on hold due to the COVID-19 pandemic. The Workshop will be streamed online and open to all residents on December 8th.

The Committee made a few edits to the original draft that was circulated and posted to the website. Those include allowing banners, changing "golf nets" to "sports nets" and setting time limits to construction projects based on the extent of the project with an allowance for an extension.

Both the original draft and the new draft are posted on the website. You will have to login and go to **Members**>Drafts. If you do not have login information, please contact **Nancy Roggio** at: *nroggio@dobsonranch.com*
