

DOBSON ♦ RANCH

The best place to live!

May 11, 2020

Dear Residents,

“Life isn’t about waiting for the storm to pass. It is about leaning how to dance in the rain.” This quote was given to me on a plaque by my Dad at Christmas 2018. I was happy to see that someone left the same quote in the office when I started at Dobson Ranch in January 2019. Now, it is more important than ever to learn how to “dance in the rain” as we all go through our current storm. I hope you find your own way to enjoy new things in a different way.

Since the **Zoom** Board Meetings have gone well and have been well received, we will start holding Committee Meetings via **Zoom**. We are starting in May with **Master Planning** on Friday, May 15th at 12:30 pm. This is off the regular schedule, but we felt it was important to hold one before the regular Board Meeting on May 21st. Our **Budget and Finance Committee** will be holding their meeting via **Zoom** on May 18th at 6:30 pm. The links to the live stream will be posted on the Dobson Ranch website calendar.

Those of you who enjoy Lake 1 may have noticed the fountain is missing. It is being replaced and will return soon. At Laguna Park the long-awaited shade structure is being installed. When the park’s structure is reopened, the kids will have some shade for a bit more enjoyment.

I know that reopening the parks and pools is on everyone’s mind. We are closely watching the government guidelines including CDC, the Governor and Federal guidelines. We want to open additional facilities as soon as it is safe to do so with caution and thoughtfulness.

We do have some fun things in store for the kids. Nancy is putting together a **Kids Virtual Talent Show**. It will be fun to see what hidden talent there is on the Ranch. Jesse and his team are doing a modified home-based Summer Camp where those who have registered will be able to have some fun activities to fill those scorching summer days, based on a variety of weekly themes.

Stay **#DobsonRanchStrong** while you are **#HomeontheRanch!** Thank you for the continued support of your neighbors, Board and staff.

Warm regards,
Lynelle Glysson
Executive Director
