

DOBSON ♦ RANCH

The best place to live!

August 10, 2020

Dear Residents,

August already? This has been the fastest slow year of my life! With so much negative to focus on these days, I would like to shine a little light on the positive. We all have normal life going on along with the not so normal. What things have happened in your life that are cause for celebration?

I have seen Dobson Ranch neighbors working with officials to keep Dobson Ranch safe. Residents assisting each other during the “Stay at Home” order to help with running errands. A successful, if not unusual, Dobson Dolphin 40th season. In my tours around the ranch I have seen some beautifully kept yards. Dobson Ranch residents have kept busy with home improvements; nearly \$400K in improvements for the month of July. Dobson Ranch residents have donated 40 cases of water for the **Mesa Hydration Donation Campaign**. Keep them coming, it’s been a record-breaking sizzler of a summer!

Our new **Dobson Ranch Community App** has launched today and has already been a huge success. The app company said we have had the highest response rate of any association they have launched so far. I hope all who use it enjoy it and we will be adding features as we go along. Pool reservations will be open on the app on Wednesday and will open weekly.

If you do not want to use the app, but would like to still make pool reservations, you can go to the app website at **Dobsonranchapp.com** and register as a user to make your pool reservations.

Until we can come together in person, let us stay **#DobsonRanchStrong** while we are **#HomeontheRanch!** Thank you for the continued support of your neighbors, Board, and staff.

Warm regards,
Lynelle Glysson
Executive Director
