

# DOBSON ♦ RANCH

*The best place to live!*

November 20, 2020

Dear Homeowners –

The 2020 SRP Dry-Up is upon us. This year we will be lowering the water level in Lake 7 to clean the debris off the shelves that has accumulated since we last had the opportunity to clean them. If you can help, it will greatly shorten the time the lake is short of water. Once the shelf is dry, sweep or scoop the dirt and debris into a garbage bag, which can be obtained at La Casita. If you prefer not to put the bag in your black garbage can, just leave the bag on the shelf. The crews working during the dry-up will retrieve them. Leave any big items like branches on the shelf.

For some portions of the lake, the exposed shelves offer an escape route for pets. Also, park your boat bow in or just off shore.

Water should start flowing back into Lake 7 by December 9th.

Regards,

**Craig A. Wilson**

Water Resources Manager

P.S. If you live on Lake 7 or are interested in Lake 7 happenings, be sure to join the **Lake 7 Virtual Club** on the Dobson Ranch App today, so that you will be able to receive this type of targeted message in the future.

How to join the **Lake 7 Virtual Club** or any other virtual “Club”:

1. Once you are logged into the Dobson Ranch App, navigate to the **Menu** by tapping the three horizontal lines in the top left corner.
2. Tap into the **Community Notifications** menu.
3. Scroll through the available virtual clubs and tap into Lake 7 Club or any other clubs that interest you and for which you would like to receive push notifications -- keep in mind, you must have push notifications enabled on your device’s settings.
4. Tap **Interested** button at the bottom of the screen.
5. You will now receive future announcements and information regarding this virtual club.
