

# DOBSON ♦ RANCH

*The best place to live!*

February 22, 2021

Dear Residents,

Community can mean many things to us. I include in my definition of community a sense of belonging, support and purpose. The community of Dobson Ranch embodies all these things. I want to include communication to my list. I spoke to several residents this afternoon and fielded some of their questions and concerns. On the list was lighting along the lakes, boat slip rentals and assisting with concern over a neighbor. I never mind a call from a resident who has a concern. Although with phones being answered off site, an email is the best way to contact me. If you ever have a question or concern, you can call 480-831-8314 and Carolyn will pass on your message. Or, you can email me, and I will respond via email or give you a call back. My email address is:

[lglysson@dobsonranch.com](mailto:lglysson@dobsonranch.com).

If you see your neighbors have questions on social media, pop my email address in there and they can contact me directly. Knowing what the questions are helps me to target my communications to you and your neighbors.

For the first time in 42 years, the Annual Breakfast With the City webinar will be live streamed tomorrow morning at 7:30 am! Residents will be able to listen to our city officials report on important issues relating to Dobson Ranch and the City of Mesa. The link to this live stream event is posted on our website Events Calendar. You can also watch the recording later via the same link.

Until we can come together in person, let us stay **#DobsonRanchStrong** while we are **#HomeontheRanch!** Thank you for the continued support of your neighbors, Board and staff.
