

DOBSON ♦ RANCH

The best place to live!

September 19, 2022

Dear Residents,

I want to give you a brief update on some of our projects since they seem to be dragging on and they are! We are in challenging times with construction. Once something goes off the schedule, it is hard to get it back on track. Sub-contractors must be rescheduled, and that tends to start a domino effect on the projects.

The Saratoga Recreation Center is set to get windows installed this week. We can all keep our eyes on them to be sure it happens.

Work on the **Laguna Park** bollards will continue this week. The old concrete footings will be removed and the footings for the new bollards will be poured. The Laguna Park restrooms are still waiting on state permits. It took us a while to get the utility as-builts and the plans, however, we continue moving forward.

I wanted to thank you all for the well-wishes I have received in the last few days. I will miss Dobson Ranch very much. The residents of Dobson Ranch make it the best place to live!

I have a few more weeks to go and I hope to see you around the Ranch!

Let us stay **#DobsonRanchStrong!** Thank you for the continued support of your neighbors, Board, and staff.

Warmly,
Lynelle Glysson, Executive Director
