

# DOBSON ♦ RANCH

*The best place to live!*

September 6, 2022

Dear Residents,

We will begin overseeding our common areas over the next few months. This process includes not watering the grass so that we can then scalp the turf. Scalping is simply mowing the turf extremely low before laying the seed. This work can get a little messy with the dust that it produces, but we will have lush green grass for the winter once complete.

We will start overseeding at **Laguna Park** so the space will be fresh our fall and winter events. We will then move through **Lake 1, Lake 3, our dog park, and then Lakes 7 and 8 walking paths**. I will let you know when we are overseeding the dog park since it will need to be closed for a couple of weeks.

In other news, our Board will be addressing the vacant Board seat at their next open meeting on **Thursday, September 22nd**. They will let the bylaws guide them in their decision.

*The bylaws state, in **Section 6.5**, that the Board shall, to the extent reasonably practicable, appoint an individual to fill the unexpired term. Appointment shall be by a majority vote of the Board. The Board may also appoint a new Vice President as directed in the bylaws **Section 9.6**.*

Let us stay **#DobsonRanchStrong!** Thank you for the continued support of your neighbors, Board, and staff.

Warm regards,  
**Lynelle Glysson**  
**Executive Director**
